

Main Page of the application.

Upon Click **Add Customer** button user will be redirected to a new form page, wherein the user will enter details and save.

Updated list of customers after adding a new customer Pranav S.

Upon clicking the update button, the user redirected to a new page which will consist of the form same as save page with pre populated data

The screenshot shows a web browser window with the address bar displaying `localhost:8080/MVCCustomerRelationshipManagement/custshipmgmt/showFormforUpdate?id=1`. The page has an orange header with the text "Customer Relationship Management". Below the header, the word "Customer" is displayed. There are three input fields: the first contains "Harshit", the second contains "Choudhary", and the third contains "harshit@greatlearning.in". Below these fields are two buttons: a teal "Save" button and a blue "Back to Customer List" button.

Updating the email address for customer Harshit Choudhary and saving it with address gmail.com

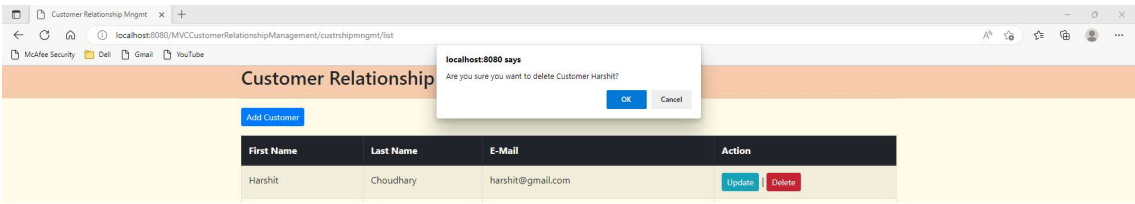

This screenshot is similar to the previous one, but the email address in the third input field has been updated to "harshit@gmail.com". The "Save" and "Back to Customer List" buttons remain at the bottom of the form.

Updated value of Customer Harshit Choudhary with email address ending with gmail.com

The screenshot shows a web browser window with the address bar displaying `localhost:8080/MVCCustomerRelationshipManagement/custshipmgmt/list`. The page has an orange header with the text "Customer Relationship Management". Below the header, there is a blue "Add Customer" button and a table with the following data:

First Name	Last Name	E-Mail	Action
Harshit	Choudhary	harshit@gmail.com	Update Delete
Ankit	Garg	ankit@greatlearning.in	Update Delete
Monica	Sharma	monica@greatlearning.in	Update Delete
Bhavya	Shetty	bhavya@greatlearning.in	Update Delete
Pranav	S	pranav@gmail.com	Update Delete

upon clicking the delete button, a pop up is generated

and as per the response as OK the customer entry gets deleted from database.

Updated list of employees upon deleting customer Harshit Choudhary
